CONTENT SHOCK?

We do our best to try and not carry graphics and
designs that may be offensive to anyone. However,
skateboarding has always celebrated the individual
and has supported non-mainstream ideas. Please
keep this in mind when looking through the cata-
log. We have tried to provide many choices in each
product category so you can find something appro-
priate for you. If you have any questions on a
graphic or design, call our sales staff. We will be
glad to help you.

SATISFIED WITH YOUR PURCHASE?

We sure hope so. If for any reason you're not, call
our customer service department at
1-800-477-9283...
we'll take care of you.

CUSTOMER SERVICE & SALES HOURS

For your convenience, we have extended our
Customer Service Hours. Our new hours are 5 a.m.
to 10 p.m. PST every day. Sales operators are now
available 24 hours a day each and every day.

DO WE HAVE IT IN STOCK?

When placing your order, our informed sales staff
will let you know when you can expect delivery. If we
are out of an item and we expect to get
more, we will backorder it
for you and ship it auto-
matically when it comes
in — charging you only
when we ship.

SHIPPING

We try very hard to ship within 48 hours of
receiving your order. So for some parts of the
country, if you order on Monday, you could have
your new stuff by the weekend. When you place
your order ask your salesperson how long it takes
to your town.

WHY SHOULD I BUY MAILORDER?

Well, here are a few good reasons that answer the
question. Unless you live in California, there's no
sales tax. No hassles. No need to drive or park. It's
a free phone call and it's delivered quickly to your
door. Now answer this question: Could it get any
easier or more convenient?

An embossed polyurethane coated synthetic nubuck toe cap was used for its abrasion resistance under long wear. Full length polyurethane midsole with anti impact system in the heel area and an S-One insole provide excellent lightweight protection against heel bruising. Of course you need a Supagrip rubber outsole which can only be found on Osiris shoes. Sizes 3, 4, 5, 5.5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#OS-R \$74.99**

Czar

Continuing to be a strong design from Etnies, the Czar has a durable suede, leather and rubber upper. Abrasion resistant stitched gum rubber outsole and triple stitched rubber toe underlay help for those long skate sessions. The Silithane Heel Crash Pad is perfect for smoothing out your landings. Ollie destruction is minimal with Czar's metal eyelets and PVC lace hooks. The outsole is 150 NBS rubber and again helps the Czar maintain its strong design. Sizes 3, 4, 5, 5.5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#EN-D \$64.99**

Oracle

Etnies has been puttin' in work. As well as beefing up the team with some heavy hitters, Etnies has put some work into their shoe designs which can be seen in the new "Oracle". Eric Koston has always been ahead of the game, just like his K3. At first glance you're like, "What the?" But look, you'll see that Es and Koston have done it again. This is probably one of the cleanest shoes out. That's because lots of thought went into the design. Huf

Huf's very own shoe from DVS definitely has everything you'd expect from a signature model shoe. The upper is a hybrid of action leather (White/Red and White/Navy/Grey) or high abrasion nubuck with open cell breathable mesh, molded RF welding and high reflective detailing. A triple stitched toe panel and dual lacing system keep your shoe from blowing out. The Huf also comes with the DIMS (Drop in Midsole System), found only on DVS shoes. The outsole is a Dura-flex 2000 rubber composite with a pre molded torsion response shape. So you can work on that pop all day. You'll give up before your shoes do. Sizes 5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#250008 \$86.99**

Your feet remain cool with the Daewon 4's open cell breathable mesh. Heel bruising is kept to a minimum with the new DIMS (Drop in Midsole System). Long wear and great contact are achieved with a Dura-Flex 2000 rubber outsole composite. Sizes 5, 5.5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#250044 \$84.99**

Fade

Introducing Lakai's latest creation — the Fade. The upper is a smooth mix of durable leather, suede and mesh. Internal nylon lace loops keep laces from blowing out. Lycra tongue straps help stabilize lateral movement. Split grooves that reach from the top of the midsole to the bottom of the outsole give much flexibility. The air bladder in the heel cushions even the nastiest of landings. The zig-zag tread pattern on the outsole gives unmatched control. Sizes 5, 5.5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#250048 \$79.99**

A shock absorbing heel cushion keeps all landings sweet. Sizes 5, 5.5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#250050 \$78.99**

Howard

A legend in his own time, Rick Howard has been setting the standards in skateboarding for over 10 years. CCS brings you his latest accomplishment... The "Howard", Rick's long awaited signature model shoe he designed himself. Rick used California Construction for maximum comfort. The upper is pebble grain leather (Black/White) or synthetic nubuck (Grey/Navy), all with rubber toe panel. The entire upper is triple stitched for durability. Another longevity feature is the multi-lacing system with backup metal eyelets. Lycra tongue straps keep your foot in the right place and a breathable mesh tongue helps keep your foot cool so you can try Rick-Flips all day. A shock absorbing insole and heel cushioning system keep your feet from going raw. Sizes 5, 6, 6.5, 7, 7.5, 8, 8.5, 9, 9.5, 10, 10.5, 11, 11.5, 12, 13, 14. **#250020 \$78.99**

Trucks come in various heights and widths. Truck axle width should be closely matched to your deck width—or at least within 1/4 inch. Truck heights only differ by about 1/4 inch. If you use bigger wheels then you should either use higher trucks, risers, or both to avoid wheelbite (contact of wheel with deck).

CHAD MUSKA | CCS TEAM 2001

What up !!

My name is Chad Muska. I am 23 years old and I have been skating for 13 years. My sponsors include Shorty's (and all of their products), Circa footwear, Ghetto Child, Diakka, TSA, Fury and, of course, CCS. I am currently without a home right now because I am on the road filming for "Guilty," the new Shorty's video. I am in New York City now skating and hanging out with friends. I take off in one week to go to Europe for a Circa tour with the whole team and some d.j's. It should be a blast. I am also working on making an album that involves a lot of electronic-based music. I like to create a fusion of hip hop and drum & bass. I have a

new program which allows me to create beats on the road with just a laptop. It's crazy! So now I can travel and film new places for the video and still make music. I am stoked.

I also am involved in much more than just skating for Circa, Shorty's and Ghetto Child. I create and design all the products for Circa with my name on them. I just finished my favorite shoe yet. It is the Muska 802 (especially the camo ones!). It is the lightest and most flexible skate shoe I have ever worn.

With Shorty's and Ghetto Child I give input on the creative side, too—with clothing, advertisement, team stuff, etc. We are currently working on a new backpack for Shorty's to replace my old Muska pack. It is going to be dope! Keep your eyes open! Well, that's it for now. I am going to bounce and go skate. I would like to thank all the kids who support me out there! Without you all this would not be possible. Keep on skating forever and make it happen !!!!!!!!!
